

Assessment Tomorrow

Conference and Exhibition

17th annual e-Assessment Question

“Transformation, Change and Evolution”

America Square Conference Centre, City of London
Wednesday 10th and Thursday 11th April 2019

About the Conference

This is the 17th e-Assessment Question that brings together e-assessment specialists from across the UK and worldwide to discuss and debate the issues around the use of e-assessment in schools, colleges, HE and the workplace.

We're delighted to announce our partnership with the eAssessment Association for the 2019 conference, www.e-assessment.com.

This year's event is entitled "Transformation, Change and Evolution" and takes place on the 10th and 11th April 2019.

e-Assessment is itself becoming an agent of change in how we deliver learning and measure and record achievement. At the same time e-Assessment is not stationary and indeed is constantly evolving. The conference looks at e-Assessment from both views - as an agent of change that is itself progressing and developing.

Over two days we will look at the broad spectrum of e-assessment from the achievements to date, the lessons learnt and the opportunities taken in the development of systems and services that enable, enhance and define e-Assessment for vocational, professional and academic assessment.

The e-Assessment Association will, again, hold their annual awards and dinner on the evening of the first day. See <https://eassessmentawards.com>
